FALL 2017

defying the rules

Don't have time, feeling overwhelmed, or even ignored? It's what we've heard over and over from women who are fed up and discouraged with the shopping experience at stores and online. Let's face it: shopping can be frustrating. For far too long, most of us have accepted it because we didn't know of a better choice. That has changed. At cabi, we are defying the rules by redefining the way women shop and work—we offer a solution to the frustration of shopping and difficulty of putting outfits together that, in turn, provides an alternative career for women that is liberating and profitable. Together we'll find looks you'll love, all in the comfort of our alternative store...the home. It is what makes us one of the largest women's fashion retailers in the world that owns no stores, yet offers in-person styling services. So say goodbye to the frustrations of traditional shopping—sit back, relax, and enjoy a new way to shop. We are taking back control, and you won't ever want to go back.

Fearless PURSUIT

This fall, we're challenging you to put yourself together powerfully. From the power suit to the power print, the stronger the statement, the stronger the sense of self. You'll find this daring spirit in our Everything & More trend, which pairs over-the-top color, pattern, and detail to dazzling effect. It's in Tough Love: the audacious pairing of moto boots with a boho dress, destructured jeans with a ruffled blouse. And of course, what's more powerful than our Animal Instincts? Indulge them with our favorite new skin prints—spot on! As you embrace the boldness and courage it takes to discover your true self, we encourage you to walk through life dressed more powerfully, in fearless pursuit of a personal style you never thought possible.

We are reinventing the way you shop!

And it has created thousands of opportunities for women to have an alternative career that is relevant, liberating, and profitable. Women are coming together in record numbers to create alternative stores by opening and sharing their homes with others. In fact, this year, there will be nearly 1 million visits to cabi's alternative stores across the U.S., Canada, and the U.K. We are changing how women shop for and experience fashion; we are defying the rules of shopping by proudly offering an alternative experience full of style and ideas. And as a result, we are transforming how women see and feel about themselves.

So join us and let's change this experience for women everywhere.

the heart of cabi foundation

YOU CAN ENCOURAGE & EMPOWER WOMEN AROUND THE WORLD

The Heart of cabi Foundation is how we take the transformation that happens through the cabi experience far beyond living rooms. From giving clothing to women in communities affected by natural disasters to empowering women entrepreneurs in the developing world working their way out of poverty, we are passionate about serving and investing in women across the globe.

3 ways you can make a difference now:

- ♥ **BLUSHING BLOUSE:** (pictured left) A portion of the net proceeds from the sale of this item will fund The Heart of cabi Foundation's efforts around the world.
- ♥ **MAKE A CHANGE:** When placing a cabi order, you can round your order total up to the nearest dollar or pound, empowering a woman in the developing world by contributing to her small business loan.
- ♥ **BUILD YOUR BUSINESS AND EMPOWER ANOTHER WOMAN TO BUILD HERS:** For each new cabi Stylist who begins her business, cabi will fund a small business loan in her name for another woman entrepreneur in a developing country.

Not just about the way you look, but how you feel. It's not simply the outfit, but the style you own. It's not only the compliment, but the conversation. Ultimately, beyond great fashion, cabi is about the connection.

From the moment cabi was created, it was more than a brand; it was a vision to bring inspiration, confidence, and a lasting sense of community to generations of women. Knowing our greatest days are ahead of us, our empowered network of friends has become a catalyst for the biggest evolution in women's fashion.

The true essence of cabi isn't just about the clothing, it's about the relationships we build—each encouraging us to discover our style and inspiring us to mix and match what we wear with the way we live.
