cabi | RED STAMP GUIDE

TO FIND THE cabi COLLECTION ON YOUR IPHONE, IPAD, OR IPOD TOUCH

- Download the Red Stamp app for free on the iTunes App Store
- Once in the Red Stamp app, make sure you are logged in using your Red Stamp user name and password. To log-in, swipe the arrow in the upper left hand corner of the app
- Tap on the arrow to close the sidebar, and then wait 3 - 5 minutes for the app to download your exclusive collection
- Tap on the 'Collections' button
- Select the 'cabi' collection listed toward the top
- Select the template you want to use
- Tap to edit the text and once you are done editing, select "Done" and then "Send"
- You will then get another screen where you select "Share Digital Cards." Choose to "Save Image" (first icon) and this will save the image to your camera roll
- Go to your photos to find your template and share it via text message, email, or through your social profile of choice

TO FIND THE cabi COLLECTION ON YOUR ANDROID DEVICE

- Download the Red Stamp app for free in the Google Play Store
- Once in the Red Stamp app, make sure you are logged in using your Red Stamp user name and password. To login, tap the menu button {3 horizontal lines} in the upper left hand corner of the app
- Tap on the 'Collections' button
- Select the 'cabi' collection listed toward the top
- Select the template you want to use
- Tap to edit the text and once you are done, select "Done" and then "Send."
- You will then get another screen where you select "Share Digital Cards." Choose to "Save Image" (first icon) and this will save the image to your camera roll
- Go to your photos to find your template and share it via text message, email, or through your social profile of choice
